MONROE, MICH. 1904.

My dear Wood.

Your favors at hand and have had attention. I have begun all with Nov. N giving Nov. & Dec. gratis, so as to end the year with the year. I have sent you more Blank Applications. Am out of the old so send the new ones. We shall get along swimmingly I am sure the year to come. You will please use myself and The Numismatist, just as though we both belonged to you. In fact, we both belong to the Association and its best interests. Some time in December, when renewals will begin to come in lively, I shall begin to send you the names of the members of the Ass'n that are in good standing, and when you think the time is ripe, we will publish the names of all members as you suggest. There are however, some that are slow-and we want to have the list as complete as possible. As near as I can judge we have about 400 members in good standing; some are of course dropping out, still on the whole we are gaining. All members of the Ass'n that are paid get the N- out not all my subscribers are members of the Ass'n. Many we do not want, some could not get in anyway, and others dislike publicity. I have a good circulation with the banks and libraries, also many who subscribe for 6 months. I never ask a subscriber of less than a year to come into the Ass'n. This class usually drop out anyway, and if they are really good they will eventually come in. Mr. Green of Chicago lately picked up two of my subscribers and sent in their Applications, so I am not always able to judge correctly as to the quality of the material. I have always tried to get into the Ass'n all that I thought was good. I want you to come often and any way I may be of service you have but to command me. I expect to do just as much work for The Ass'n as ever, and was simply glad to change offices so as to bring you actively into the field. You will I am sure find pleasure and delight in the Secretaryship-I am confident of this from what I have heard of you. Come again and often?

Yours,

Geo. F. Heath

My dear Dave: "Happy New Year". The Holidays have demoralized the "numismatist" free again so I am as usual late. It was promised me by the 20th last and still I can not get them to Kentucky. One of these Occidents I think I put in your report for me. (Personal). You have lately paid me all dues & I have sent blanks to mine to be filled & sent to you. An application to day from Ogden which I think will turn up in time. Guess and see what is ahead of me to night!!!

Yours
